Economy Rakes

Our Economy Rakes are built to get the job done on a budget. They deliver the same raking widths as our Turbo Rakes without the bells and whistles. These rakes are easy to use while still providing extremely good results. Economy Rakes are available in 8, 10 and 12 wheel models. When you're looking for an inexpensive carted rake to get the job done, look no further than Pequea's Economy Rakes.

ERC8 ERC10 ERC12

- Coil spring suspension for each wheel beam
- Adjustable windrow width and working width on all models
- One side raking possible by locking beam into transport position
- High wheel clearance in the transport position for easy loading and hauling

Economy Rakes
