

Manure Spreaders

PEQUEA

A SKIBO COMPANY [®]

Manure Spreaders

With up to a 175 bushel capacity, Pequea manure spreaders are designed to withstand the demands of today's small farm. The manure spreader boxes are constructed of fully welded high strength, low alloy 10 gauge steel in 125 and 175 bushel capacity. Our large PTO model manure spreaders include 2 speed gearboxes, with a neutral and cleanout setting. Pequea manure spreader options include fine spread pans, top beaters, and hydraulic end gates.
