# TurboTeddors™

The TurboTedder™ is Pequea's answer for gentle yet fast hay crop management. Pequea TurboTedder™ rotary tedders are available in 2 rotor, 4 rotor and 6 rotor models with 7 tine arms per rotor. In the tedding position the tines remain level for a clean, efficient sweep action. If you need a heavy-built rotary tedder that gets the job done, make the American-made Pequea TurboTedder™ your choice.
